1980 A TIME OF CHANGE 1981

A Year of Change

During our school year, each one of us has noticed new changes which will be a part of our past. They range from high school to elementary, football to basketball, students to faculty. There are new faces, improving both the student body and faculty. The heat wave may have stopped some of us but our sports continue. Our football team has started off with a winning season while the basketball teams sharpen their skills. The band is larger than ever, with a beautiful practice hall and new uniforms. The three-shift lunch schedule has experienced shorter lines and quick service with I.D. cards. New water fountains, classrooms and faculty have changed the elementary. 1980-1981 will be a year of change . . . for all of HNC.

A crisis occurred when our last year principal resigned the school system. This year we have a new principal, Donald Hillman from the Harrison County school system. We also have a new Junior High principal, Mr. Phillip Terrell. Both are doing a great job to improve our school and the student body. We have also gained several new teachers this year who are also doing a good job of improving our student education.

The Jr. year is truly the most exciting and enjoyable year of all high school. The Juniors are easy to pick from any crowd. Their smiling faces and cheerful hearts are just some of the ways they reach out to others.

Prom is one of the biggest highlights of the Jr. year. With a lot of hard work and dedication by many people, the prom will be a great success.

Old biddies astonish everyone

Even these nuts have a serious side.

Can I talk to you about common diarrreah?

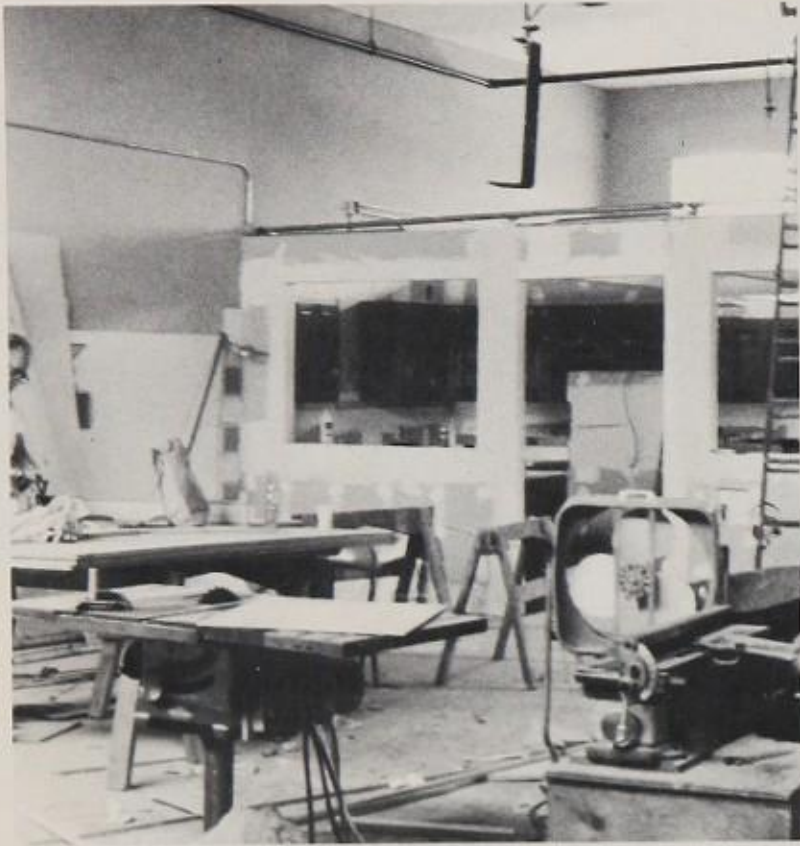

Snip, snip here
Snip, snip there . . .

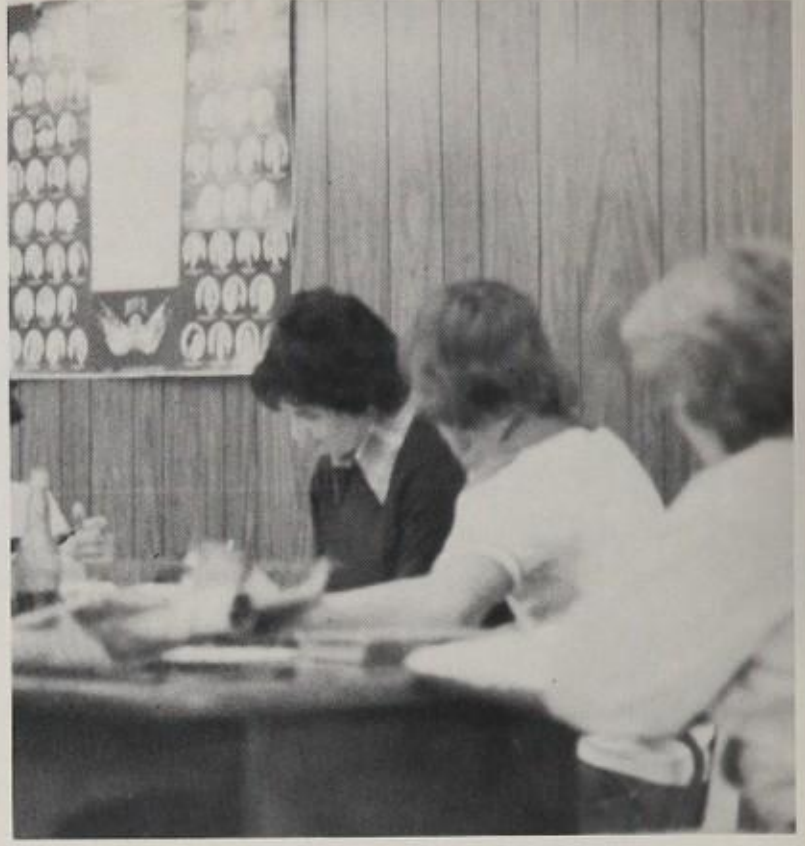

You talkin' about me?

Misery is . . .

. . . Cleaning up after a wild party.

. . . Being the only one to laugh at a corny joke.

. . . Missing an easy lay-up.

. . . Being the oddball.

First Place Winner: Mark Wittorf

Third Place Winner: Arthur Lee

HNC High School students participated in the Voice of Democracy Essay Contest entitled "My Commitment to My Country", sponsored by the VFW. From the essays written, ten finalists were chosen. The essays were then judged on originality and content. Three overall winners were chosen. A prize of fifty dollars and a twenty-five dollar bond went to the first place winner, twenty-five dollars to the second place winner, and fifteen dollars to the third place winner. The winners were: Mark Wittorf, first; Crystal Flickenger, second; and Arthur Lee, third. The other finalists were Donna Thibodeaux, Donna Woodcock, Tammy Ladner, Joy Necaie, Michael Ray Ladner, Bridget Cuevas and Desiree Lizana.

The 1980 Hawk Graduation was a big success. The graduation started at 7:30. The class marched on the field and Janet Necaise, the class president led the prayer. Later Doris LaFontain, the Salutatorian, and Sharon Necaise, the Valedictorian, gave their speeches. Then the diplomas were given out.

The 1980 prom was at the Coast Coliseum. Vicki Necaise, last year's queen, crowned Janet Necaise queen of 1980. King was David Necaise, Prince was Micheal Ladner and Princess was Marlene Breau. We hope no crisis arises and all fully participate in the 1981 prom.

Can You Believe This??

Future Homemakers of America

The F.H.A. is an organization of home economics students whose objective is to help individuals improve personal, family, and community living. The Hancock North Central Chapter hosted for the first time, the District Spring F.H.A. Convention at the MS Gulf Coast Coliseum.

Projects for the year included the sale of handmade yarn pumpkins at Halloween with the profits donated to the March of Dimes, donation of a Thanksgiving Basket to needy families, a reception for the faculty and staff before Christmas, distribution of Valentines, and Easter baskets for the deaf children of the county.

The H.N.C. Concert and Marching band participated in many activities this year. Among those were the football season, parades, concerts, and pep rallies. They also participated in the Picayune Marching Concert in which Kathy Glass received a Superior rating. We are very proud of the H.N.C. Beginner Band because it is the largest it has been in many years. The band also participated in Mardi Gras parades and spring concerts.

Spring Sports '80, was an exciting season! Our track and baseball teams had a great year. A crisis arose, due to an outburst of temperament HNC has been put on temporary probation for athletics. All of our sports are suffering. This has taught us all a lesson. We hope that in the following years our athletes will learn to control themselves at all athletic functions.

HNC Baseball Team

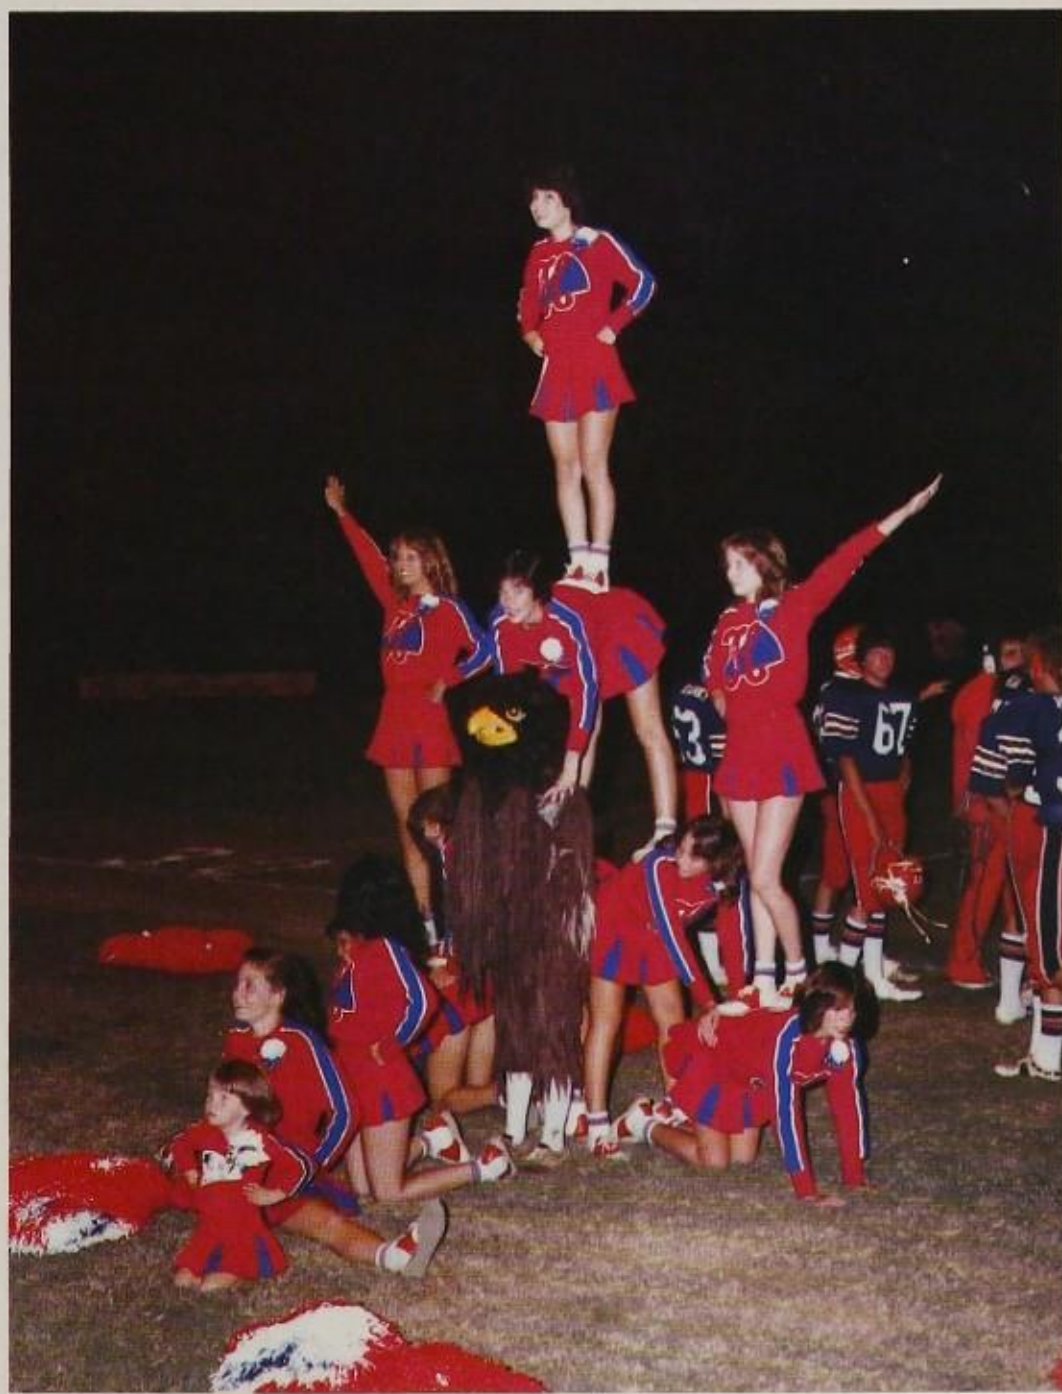

This year the H.N.C. Hawks did very well on their Homecoming. They played St. John and they won!

The Juniors put in alot of work on their float and won again! It's their third year straight!

Miss Tammy Davis was crowned Queen by Natalie (Necaise) Koenen. Tammy has been an H.N.C. student for four years and we wish her and the Hawks the best of luck in the future.

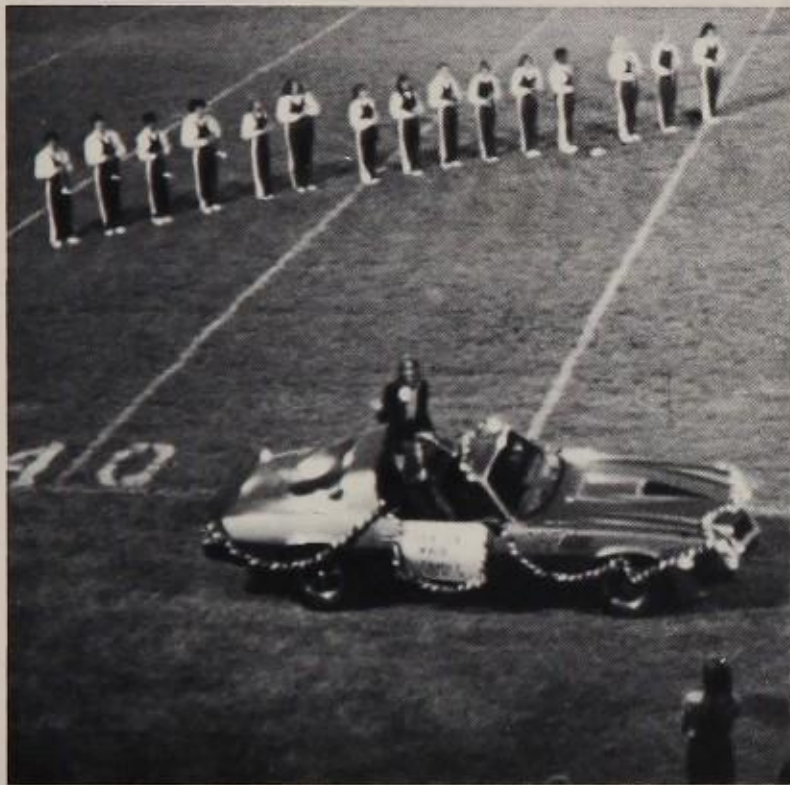

This year the Hawks had a very successful Homecoming.

They had the Alumni of the Class of '71!

The cheerleaders started a Pep Club that showed alot of spirit!

The Seniors were awarded the door prize, but the biggest change was the teachers. Some dressed as band members and some dressed as cheerleaders!

Pride is the basis of the "Elementary School Spirit Day." Hosted by the elementary's Student Council and Physical Education clubs, Spirit Day gives the pupils a chance to show their school Pride by cleaning up the campus. Trash Pick-up competition is held between classes on two grade levels — 1st-3rd and 4th-6th. The two classes picking up the most trash in the allotted time receive a school spirit stick and a coke party. Following the clean-up competition the physical education department presents the current intramural awards. It all makes for an enjoyable afternoon out-of-doors and results in a clean campus for all.

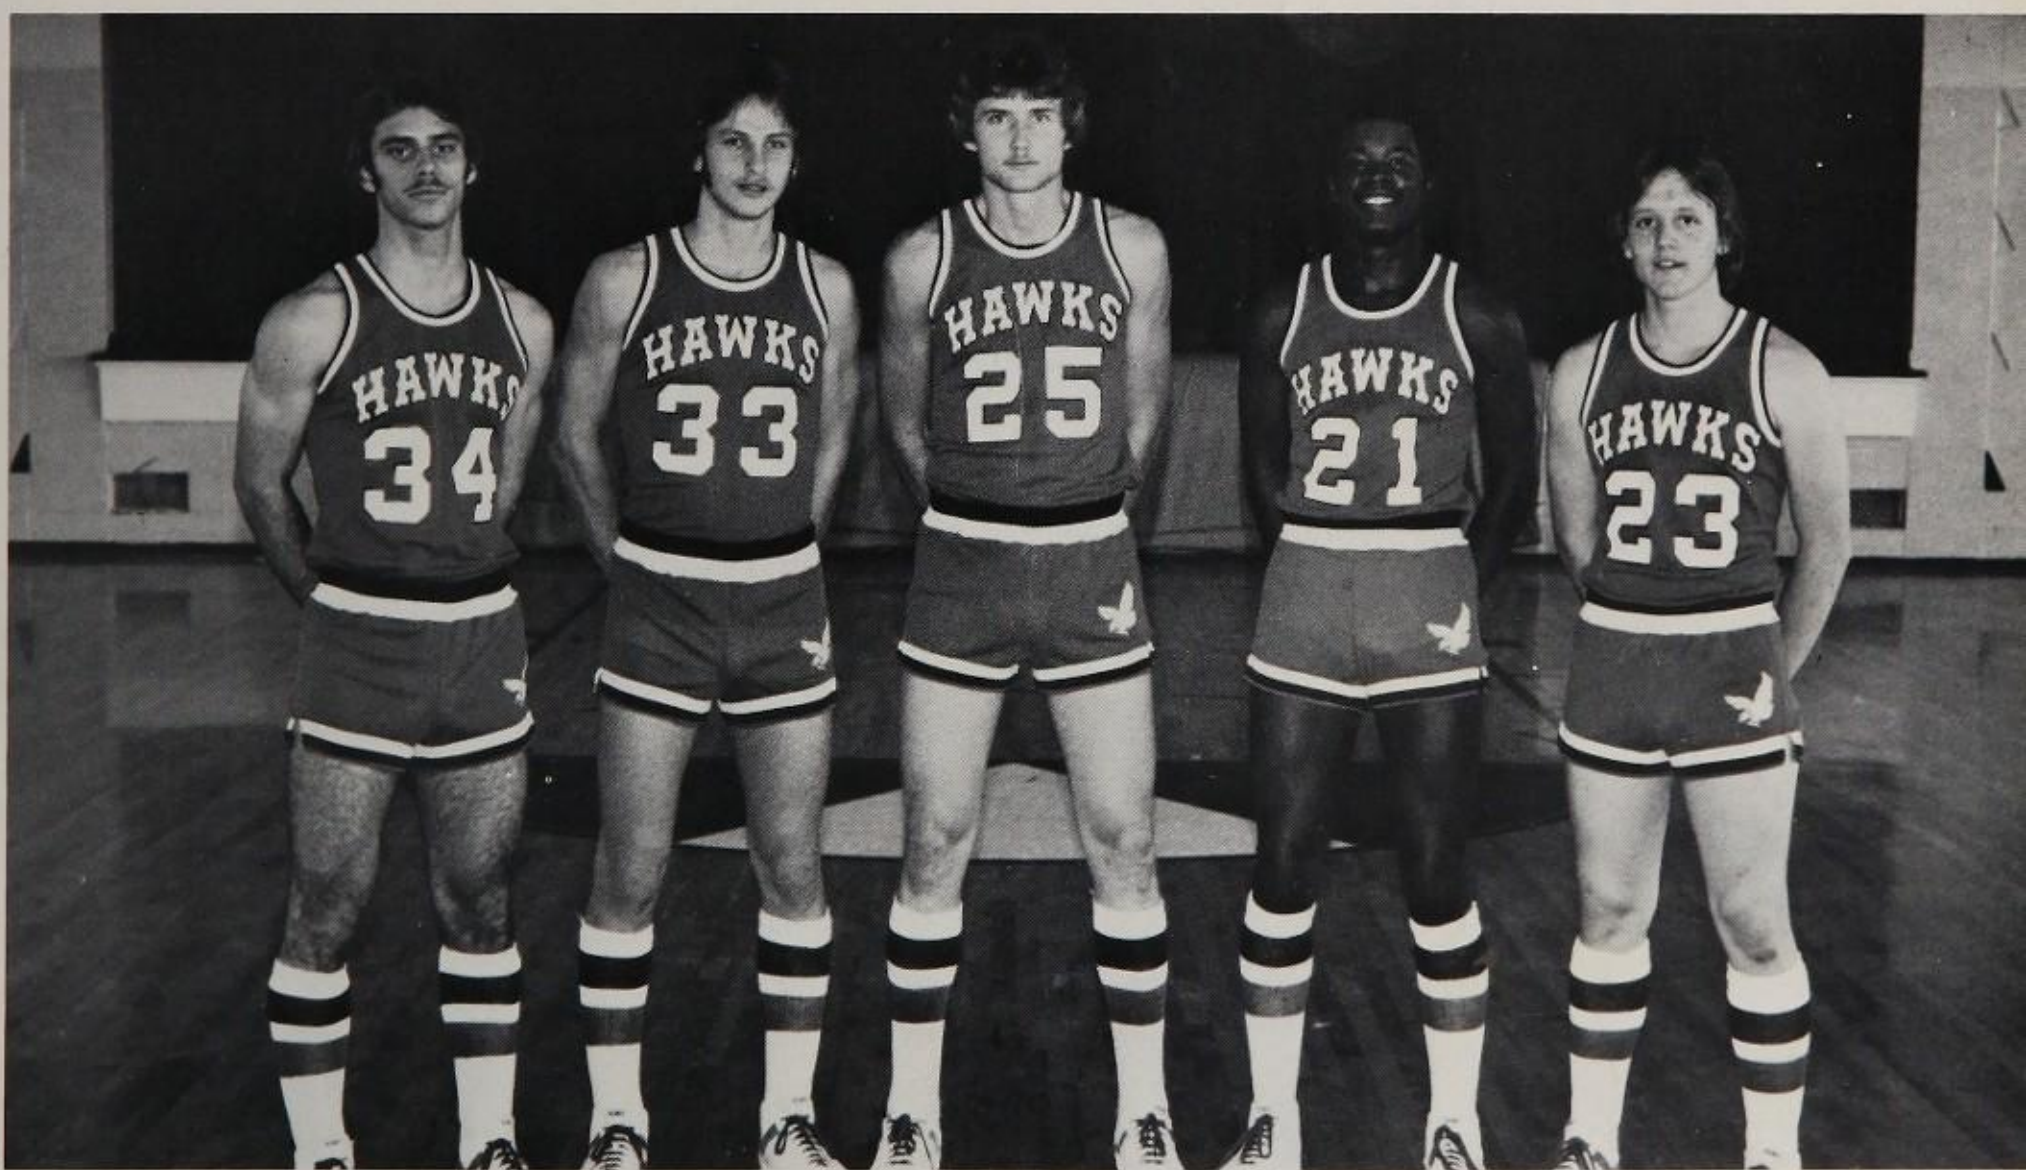

The 1981 Basketball season has had its ups and downs. The Varsity Boys concluded with a 15/14 season. Coach Ladner expressed his appreciation for the fine effort of all the boys during this time of growth and development. Coach Ladner has been named Coach of the Year and received many honors. We wish to congratulate our boys and girls for a good year with good sportsmanship.

Sports, sports and more sports are the order of the day for the elementary intramural program. A wide variety of activities — tug-of-war, volleyball, touch football, track and field — is offered to allow students in grades 4-6 a chance to succeed in a sport they enjoy. Winning classes receive trophies, and each team member is presented individual awards for their efforts. However, win or lose, the intramural program offers an exciting sports participation activity to the students.

"Champs"

Our faculty at HNC had "the time of their life" while participating in the Battle of the Faculties. Four schools participated: HNC, St. Paul, Long Beach, and Pass Christian. Some of the events were: The Human Wheelbarrow, Balloon races, sack races, tricycle races, grapefruit pass, and the fresh egg relay. Of the four schools participating, HNC came out First Place. As one participant, Mr. Philip Terrell, said, "I'm one who plays a game to win", and sure enough they did. The faculty of HNC hopes to make the Battle of the Faculties an annual event.

School Board in Action

The new elementary building, housing offices, classrooms and workroom, was inspected and accepted by the Superintendent and School Board of Hancock County in early February. The building has been anticipated by teachers to help change the crowded conditions, and update the present facility.

1st Place

On February 6th the Annual District Competition of VICA was held at P.R.J.C.

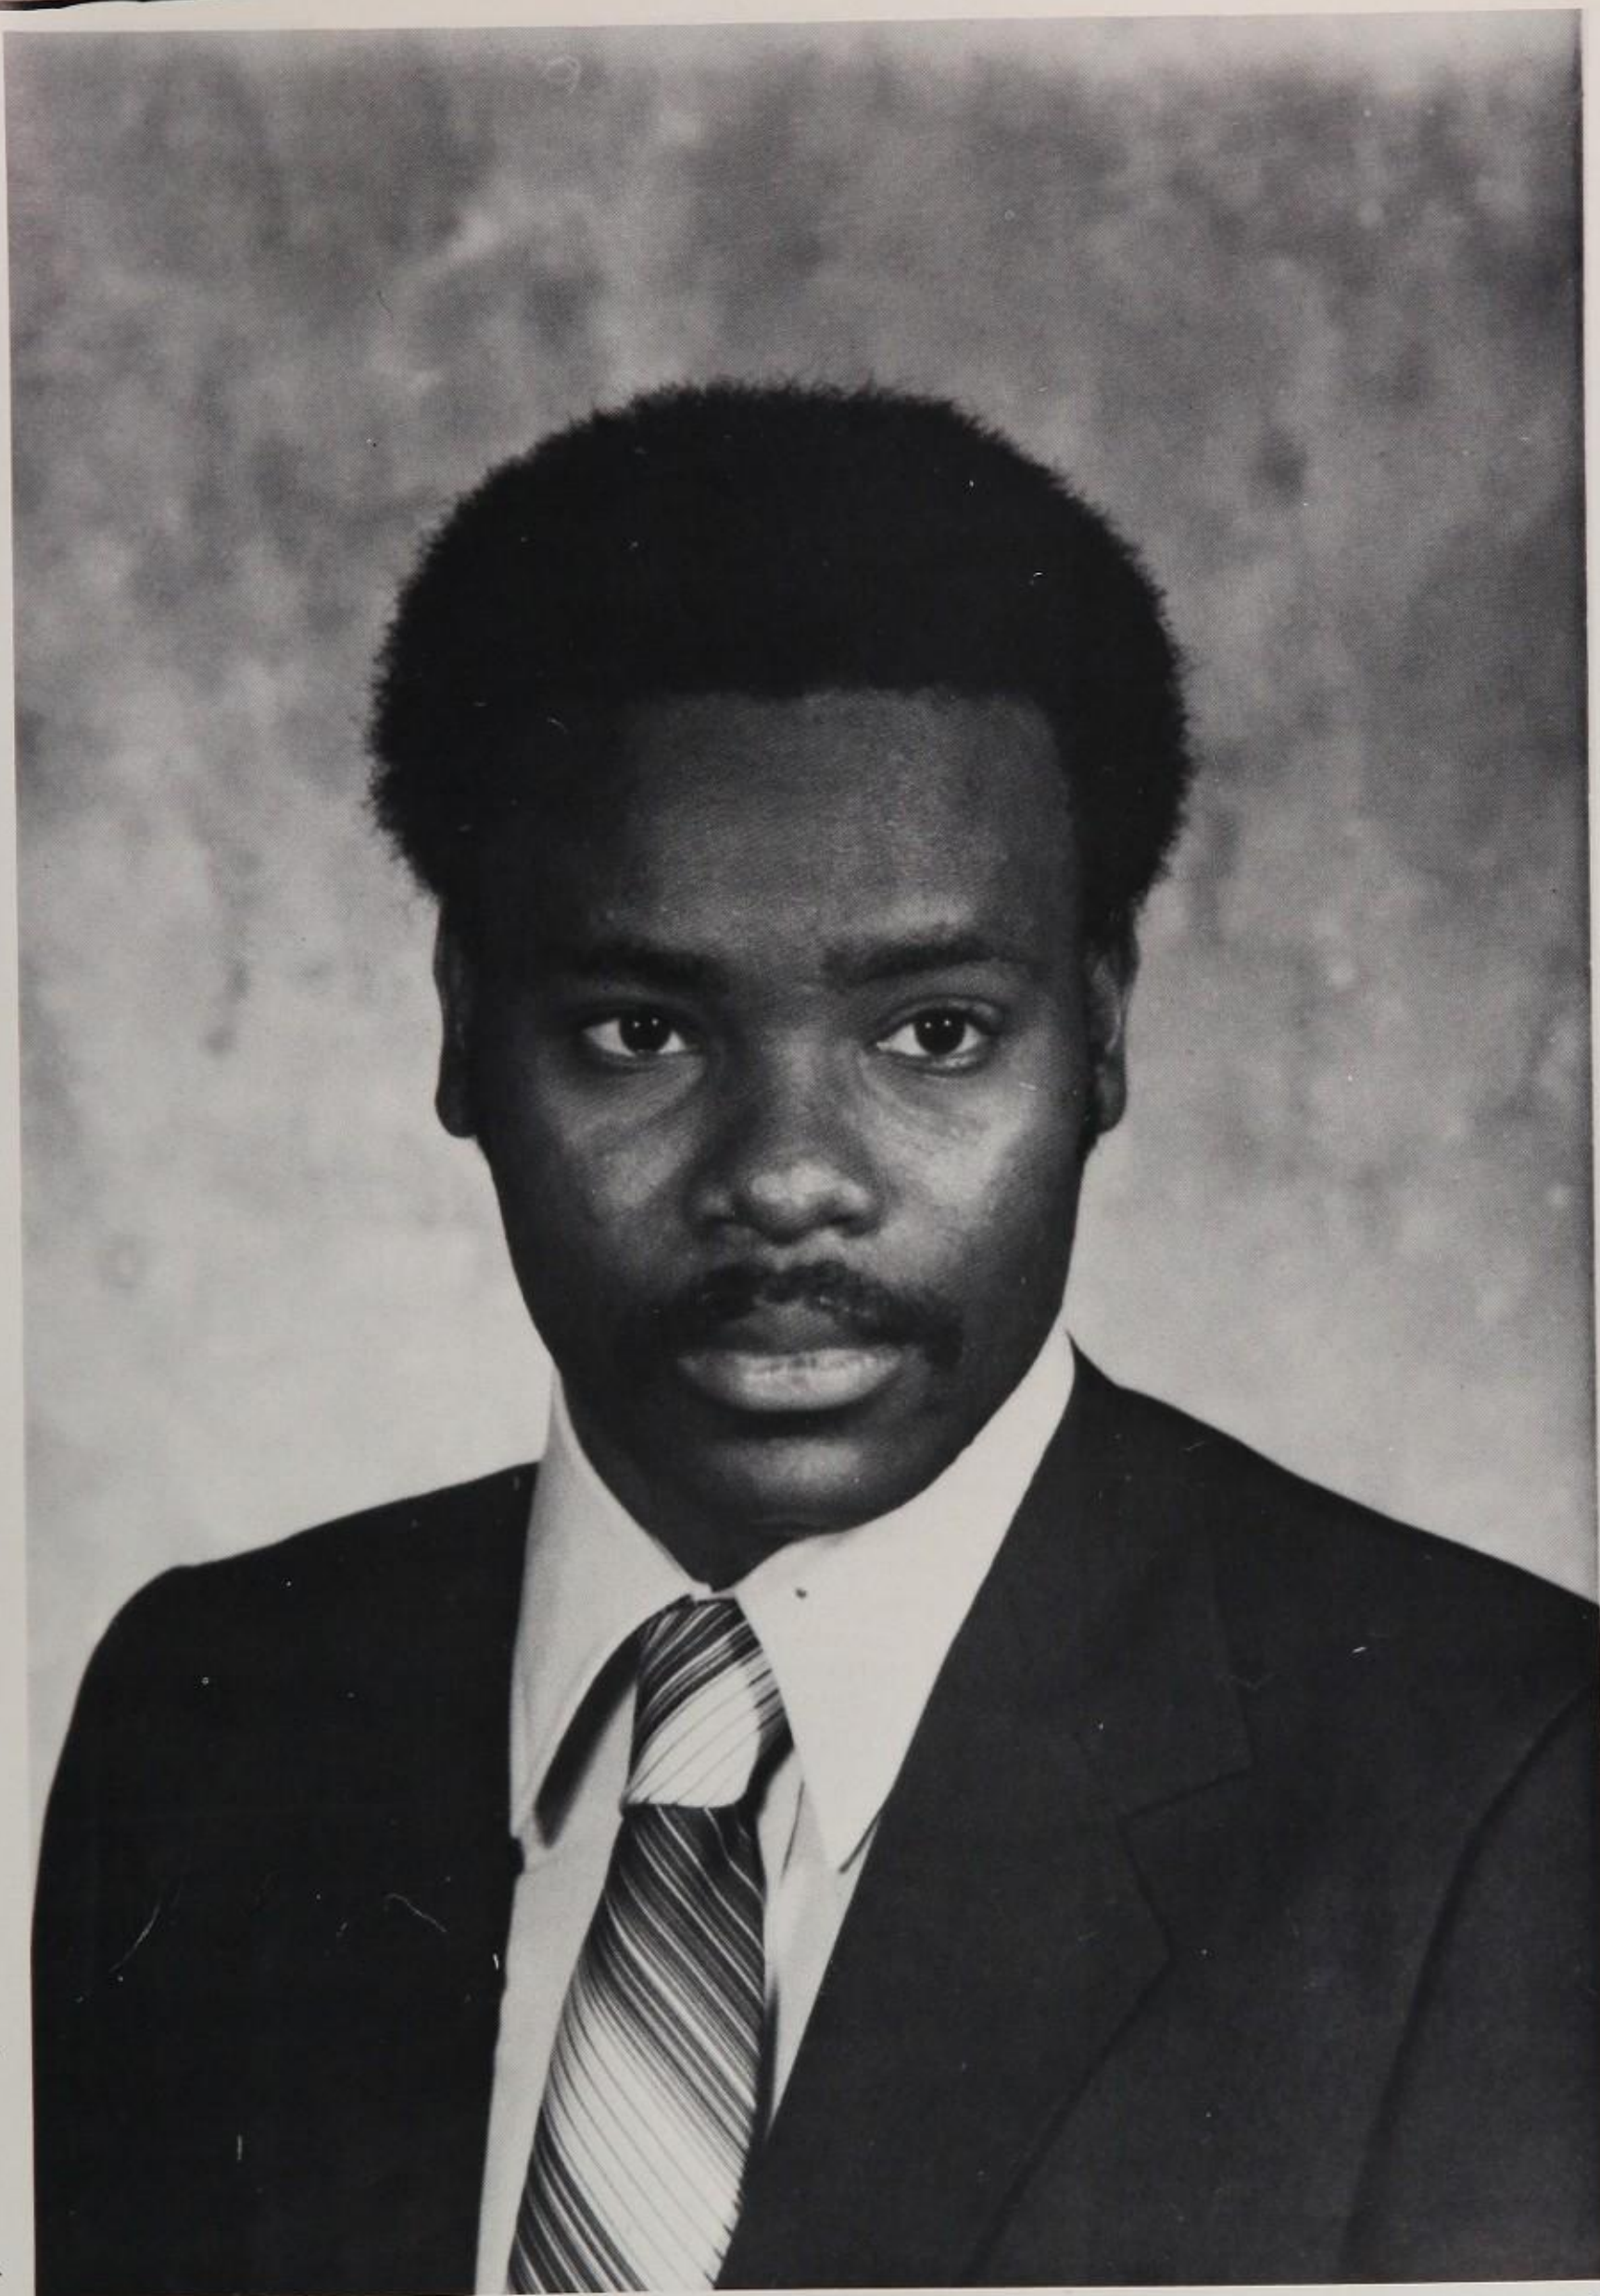

HNC had seven contestants who were: Bobby Lee, Antoine Saucier, Tarryl Ladner, Claude Garcia, Brian Adams, Darby Ladner, Mike Shaw and Lonnie Spiers. Club advisor is John Crammer. The club came home with one 1st place, Gold Medal in Electricity.

Dedication

1981

For dedicated teaching and service to the H.N.C. community, we are proud to dedicate the 1981 **HAWK** to Mr. Philip Terrell, Assistant Principal. Mr. Terrell graduated from MS State with a degree in Social Studies and continued his education at USM, where he received his Master's Degree in Administration. A resident of Bay St. Louis, Mr. Terrell and his wife, Ruth are the proud parents of their daughter Tenneille. Mr. Terrell has been at H.N.C. for four years, both as a faculty member and in the administration. We wish the Terrell's good luck and much happiness in the future.

The H.N.C. student council was very active this year. They supported and helped a great deal during homecoming. They also had a jellie bean game. A jar with an unknown amount of jellie beans was put in the high school hall for all students to guess the amount. Terrell "Squeaky" Ladner won with a guess of 211, he won a free turkey for Thanksgiving. Also, they gave away three baskets full of food to needy families. A Christmas card distribution was held, students brought cards in to be given to friends and the student council would deliver them. The February fund raiser was Valentine Flowers. Students ordered special flowers to give to someone special which the council delivers. In March they planned an anything goes (Field Day). They have a best Pal gag going. A student draws a teacher's name and gives the teacher a special gift all through the year. Then at the end of the year the student reveals himself. The class officers are sponsored by the student council. We the H.N.C. student body wish to thank the council for its many events.

Vo-Tech Activities

1980-1981

Many HNC High School Students participated in the activities at the Vo-Tech Center this year. The purpose of this center is to provide vocational-technical education to the students of Hancock County schools and persons from the surrounding area. There are five areas of training at the vo-tech center. These include Automotive Mechanics, which teaches the basic fundamentals to beginners in auto mechanics. Building Trades teaches students the proper use of power tools and the fundamental skills of building. Industrial Electricity teaches the basics of electrical study. Metal Trades provides training in the basics of metal works, and Welding instructs students in the basic fundamentals of welding craft. It is hoped that more students will take advantage of the tremendous opportunities offered at the vo-tech center in the future.

Drafting

Drafting, a 2 year vocational training course, is useful to H.N.C. students. It is used to prepare students with the skill to design and create buildings. After they have learned the trade they are college or employment bound. Most students who do take drafting are employed right away. Drafting is an excellent course to trade.

Star Student

The Ms. Economic Council has announced that Janice Johnsey, a senior at Hancock North Central High School, has been selected as the school's Star Student.

Janice is the daughter of Mr. and Mrs. William Johnsey, Jr. She is active in CYO and is band manager. Janice was chosen as a member of Who's Who of American High School Students. Also, she is a member of FHA of Mississippi. There she wants to pursue a career in political science.

Star Students are selected on the basis of academic excellence. Scholastic average and scores on the American College Test are considered in designation of a school's Star Student.

The Student-Teacher Achievement Recognition Program encourages and promotes academic achievement among Mississippi high school students, explained, D. B. Massengale, Jr., of Pascagoula, chairman of MEC's Education Committee. "Top scholars are being designated as Star Students in more than 300 participation schools in Mississippi. From these Star Students, area winners will be selected, and the Council will award scholarships to the state's top Star Students."

Each STAR Student is asked to designate a STAR Teacher, a teacher who has made the greatest contribution to the student's scholastic achievement. This year's STAR Teacher is Mr. Gary Ladner.

We congratulate Janice and Mr. Ladner on their achievement.

Elementary Faculty

Ativities

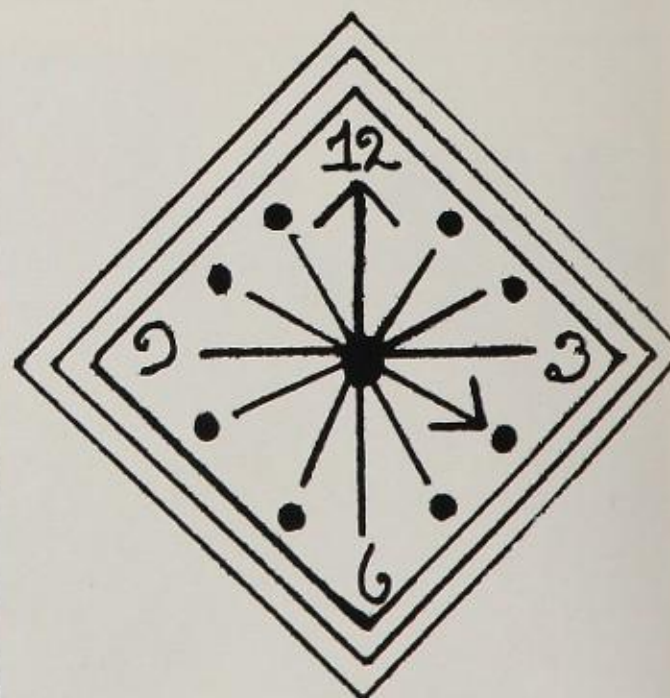

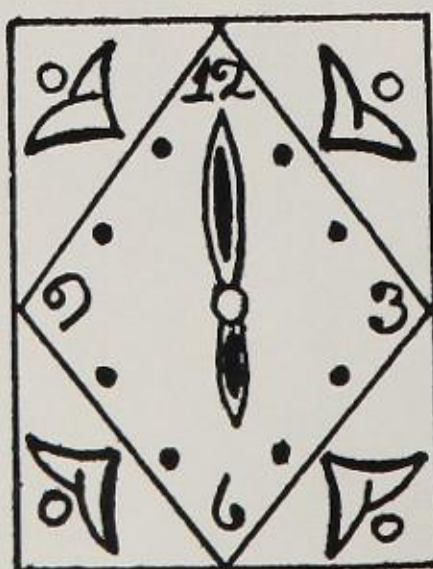

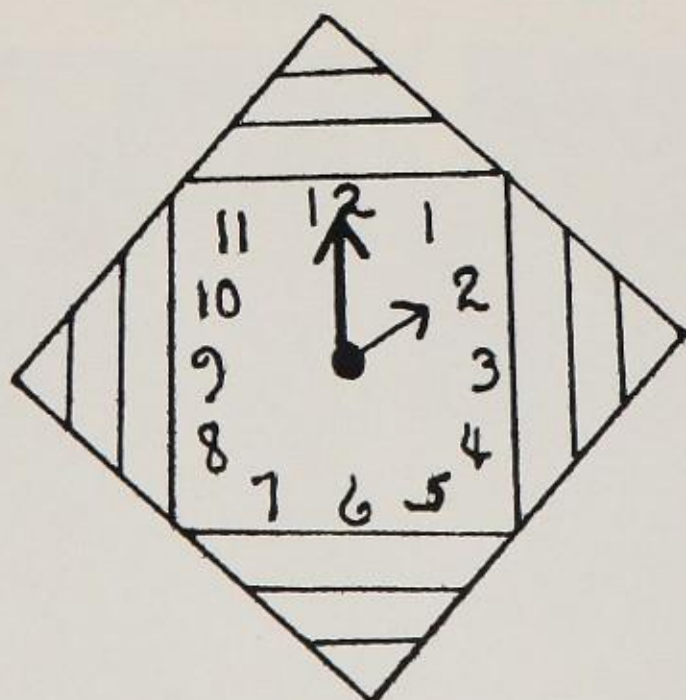

Elementary activities were varied this year. Some students looked forward to each day while others were examining nature or just had the blah's. A "different" faculty had fun too.

King and Queen

Elementary P.T.A. fundraising winners — King, Queen and their court were crowned on Tuesday, January 20. These children were the highest sellers in the P.T.A. fundraising. The King and Queen were the highest overall sellers in grades one-six — quite an honor for an elementary student. Congratulations to all who worked so very hard!!!

Hi there!

great!

No! I can open it!

To Bobby Devaughn and Lloyd Henry, signing a scholarship with Pearl River Jr. College was a great honor. By their splendid football ability, they were given the chance to advance their ability by playing for P.R.J.C. With the great coaching of Irvin Farve, plus the future coaching of J. C. Arban, they will go on to bigger and better things.

The 1981 Hawk was put together with hard work and plenty of headaches. The cover of the annual has an Embossed Hawk in dark brown with the base cover of tan, with Rhino Grain. Type used was Bodoni. The Hawk is 7 3/4 X 10 1/2. We have 32 color pages. Photo credits go to Thomas Ladner, Danny Foye, Sea Coast Echo, Picayune Item, and School Pictures Inc. Meridian, Ms. We, the 14 member staff and advisor hope you enjoy the 1981 Hawk immensely. Press run for the 1981 Hawk was 600 copies, and estimated cost of \$9,850,000. Printed by Taylor Publishing Company, Dallas, Texas, Jimmy Underwood, Representative.

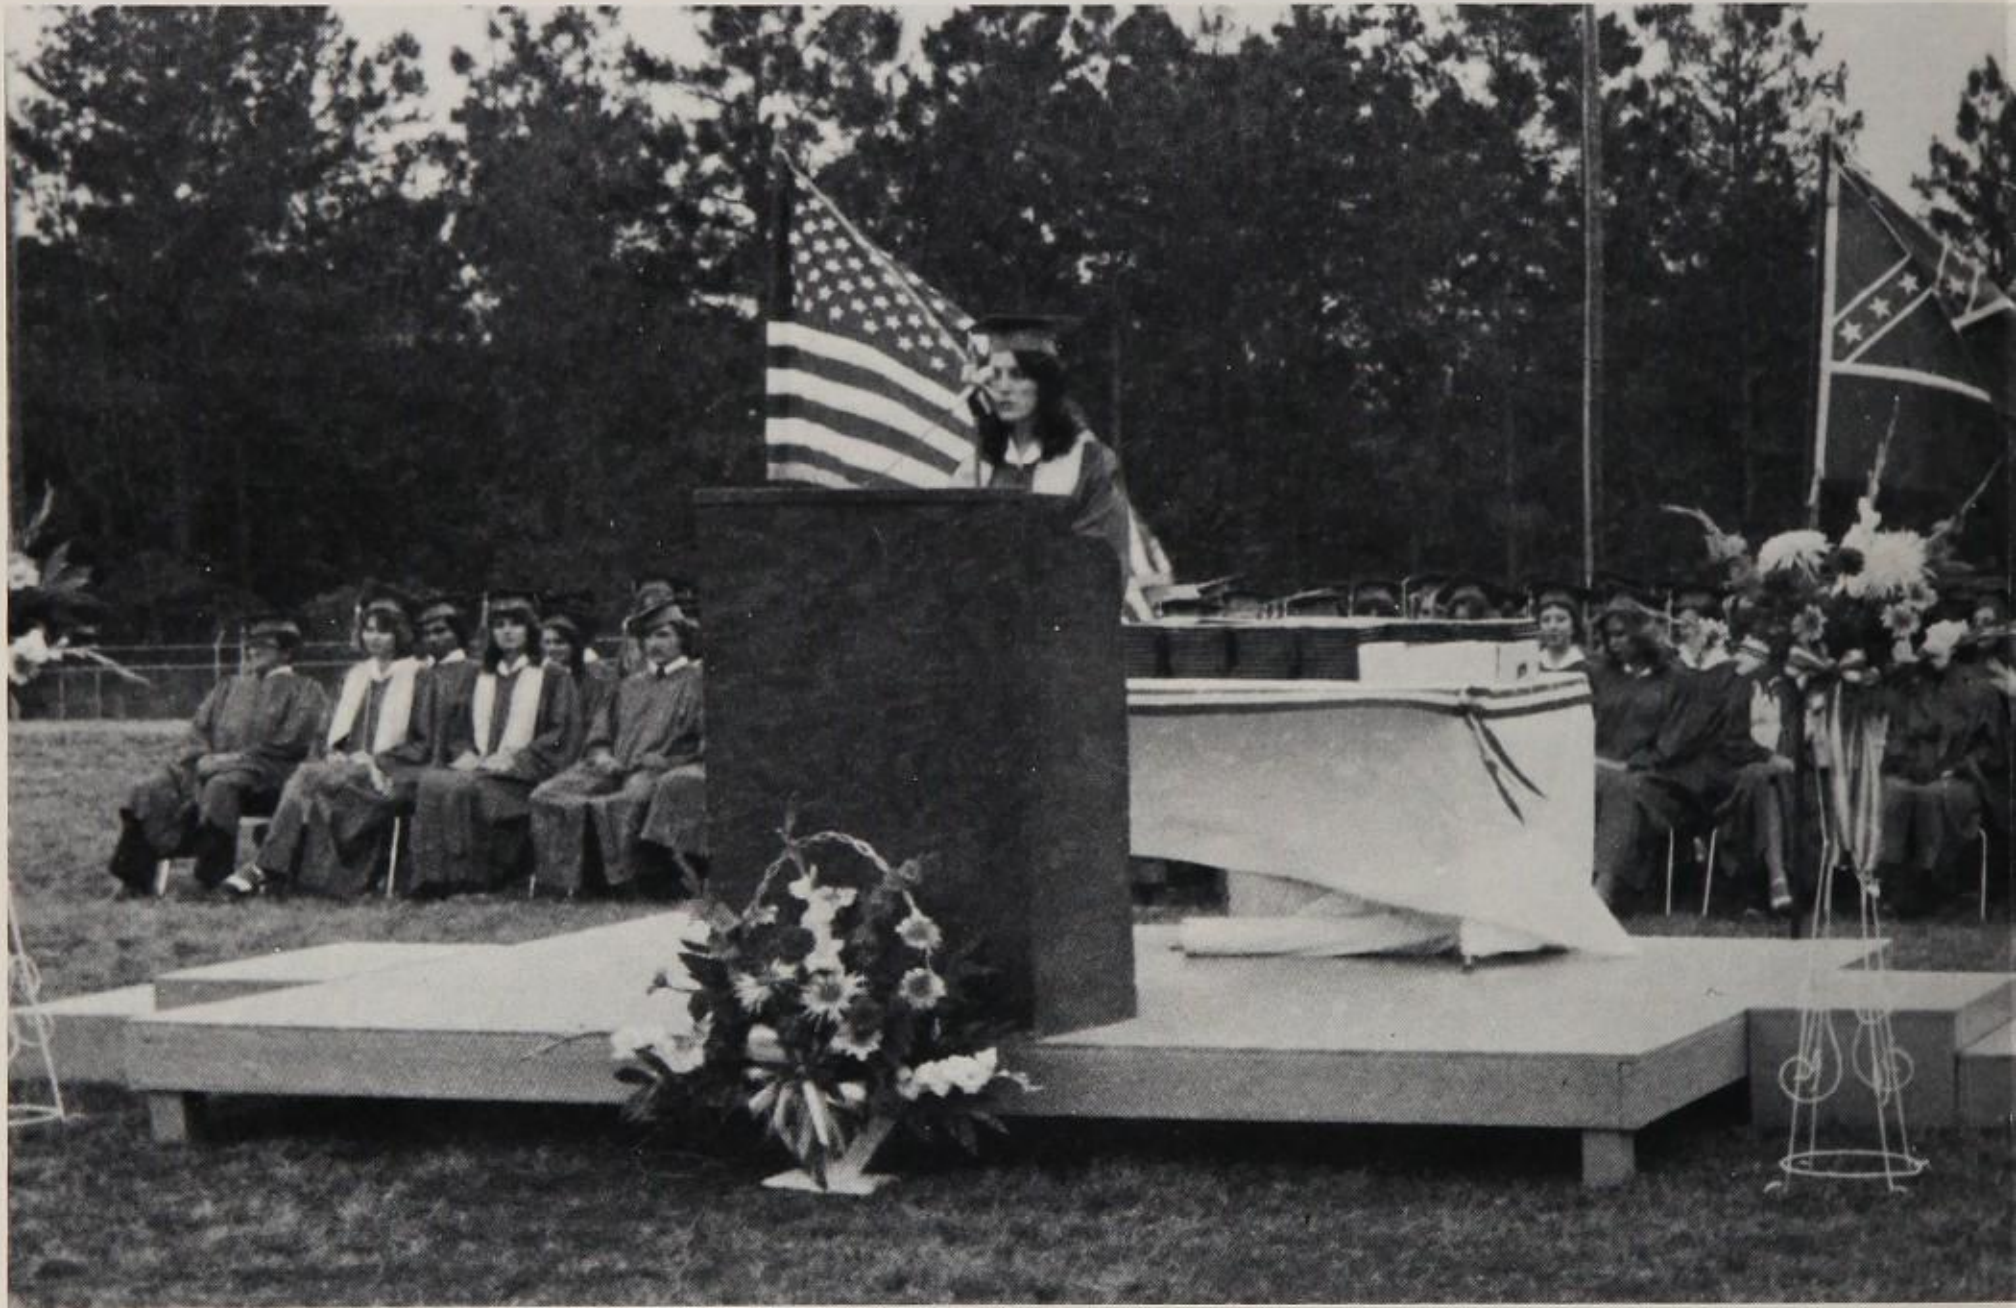

Look to this day
for it is life
the very life of life

But today well lived
makes every yesterday a memory
of happiness
and every tomorrow a vision
of hope

Don't be dismayed at good-byes
a farewell is necessary before
you can meet again

And meeting
again, after moments or lifetimes,
is certain for those who are friends.
